CAREER

Senior Marketing Automation Manager IONOS Group

06/2022 - Present

Karlsruhe, Germany

- Architect and lead enterprise marketing automation and CRM infrastructure across eight international brands, including **IONOS, United Domains, Fasthosts, and Home.pl, World4You, STRATO, InterNetX, and Arsys**.
- Designed and implemented **enterprise marketing automation architecture** in HubSpot across all brands, enabling scalable lifecycle marketing, centralised lead management, and global campaign orchestration.
- Built an internal AI-powered marketing automation application** and developed specialised **AI agents** to automate campaign operations, workflow execution, data processing, audience segmentation, optimisation, and repetitive marketing tasks.
- Designed and deployed **AI agent-driven automation pipelines that automated approximately 80% of previously manual marketing workflows**, significantly improving operational efficiency, execution speed, scalability, and consistency across brands and markets.
- Orchestrated and optimised cart-abandonment strategies, lead magnets, and voucher programs **across Germany, the United States, the United Kingdom, France, Spain, Italy, Mexico, Canada, Poland, and Austria**, achieving a **250% increase in customer acquisition within five months** while adhering to regulations.
- Partnered with **product, engineering, and analytics teams** to define marketing automation architecture and improve cross-platform data flows.
- Led automation strategy for **multi-channel performance marketing campaigns**, optimising Google Ads, LinkedIn Ads, and Meta Ads campaigns using advanced segmentation and retargeting frameworks that **reduced CPA by 40% within five weeks**.
- Known as the **ONLY "HubSpot Technical Expert"** in the company.

Growth Marketing Specialist HackerEarth Technologies Private Limited

12/2021 - 06/2022

San Francisco, United States

- Scaled the **USA developer community** through targeted performance marketing campaigns and CRM management.
- Achieved **37x ROAS through Meta Ads, LinkedIn Ads, and Google Ads** and automated nurturing workflows.
- Built and optimized **automated marketing workflows** to drive lead nurturing.

Commercial Management Associate Robert Bosch GmbH

08/2019 - 07/2020

Abstatt, Germany

- Developed automation tools using **APIs and VBA macros** supporting more than 20,000 global associates across the **United States, Germany, UAE, the United Kingdom, China, Japan, EMEA, DACH & APAC regions**.
- Automated marketing KPI reporting, customer and projects database, **saving roughly 15 hours of manual work** per week.
- Set up data flow automation using Postman **API to sync data** across multiple CRM systems.

Marketing Manager Mashco Limited

02/2019 - 07/2019

Watford, United Kingdom

- Generated **30k+ website visitors and £50k revenue** through digital marketing campaigns.
- Implemented analytics frameworks using Google Analytics to **optimise multi-channel performance**.
